The ask, and our answer

Materially reduce IT spend in 2026 — without disruption.

Kroger asked Experis to find significant, near-term cost savings across IT resourcing and services, while protecting delivery, active projects, and the contract workforce.

- Lower the cost of the current run rate
- Protect delivery continuity & talent
- Move quickly, with minimal program risk

OUR ANSWER

A four-lever value realization plan.

Stacked savings — bill rate, holiday furlough, AI & automation, and vendor streamlining — executed with our proven transition framework to keep delivery steady.

Up to ~\$16M+

- 10% bill rate adjustment + furlough
- \$1M from AI & automation
- \$6–12M from vendor streamlining
